**'HOW TO STUDY YOUR BIBLE', THE TOOLS:** If a Bible Study at church is on Galatians and you want to study a different book during your quiet time, what do you do? Learn the tools for studying any book of the Bible so that you yourself can mine the gold nuggets in God's word. It's not hard, but you will work and grow in your faith as well. Bring your Bible, and a pen and pencil. Questions contact Brad Neel.

**NOOMA:** Jesus lived with the awareness that God is doing something, right here, right now, and anybody can be a part of it. He encouraged his listeners to search, to question, to wrestle with the implications of what he was saying and doing. He inspired, challenged, provoked, comforted, and invited people to be open to God's work in this world. Wherever he went, whatever he did, Jesus started discussions about what matters most, because for Jesus, God is always inviting us to open our eyes and join in. NOOMA is a series of short films that explore our world from a perspective of Jesus. NOOMA is an invitation to search, question, and join the discussion. Questions contact Curt Scott.
